Foreword

This book contains the facts, who, where, when, but not the story of our family. If you can add to our history or have an anecdote to tell, then please share it and help make our story come alive. Even little things, like your cousin the fisherman who didn't eat fish, will make our story more personal. If you can add to our story, please contact me! I hope to have at least a photo of everyone who is here. It is amazing how often there is a close resemblance for relatives separated by generations.

Introduction

The following pages list data for all known family members as of June 7, 2020.

Each immediate family is presented in their own section that contains a graphical family tree as well as a description with information about each referenced person and their children. The child section provides information about the children of the preceding couple. When a child has offspring of their own this is presented in a separate family section for that child. In this case a '+' is used to denote that an individual will appear later in the book as a parent with his/her own children and there is a link to the appropriate family reference number. For children with partners but no offspring the partner data is given with the reference family. Roman numerals, followed by a period, are used to indicate the birth order.

In the chapter titled "Family of the Starting Person" the ancestors of John Harvey Montgomery and Hannah Evelyn Emelyn Moore are presented in a kind of enhanced Pedigree Chart which displays the graphic representation of their direct-line ancestors and the children of the couple. This chapter contains information about the couple whose offspring are listed in the later chapters.

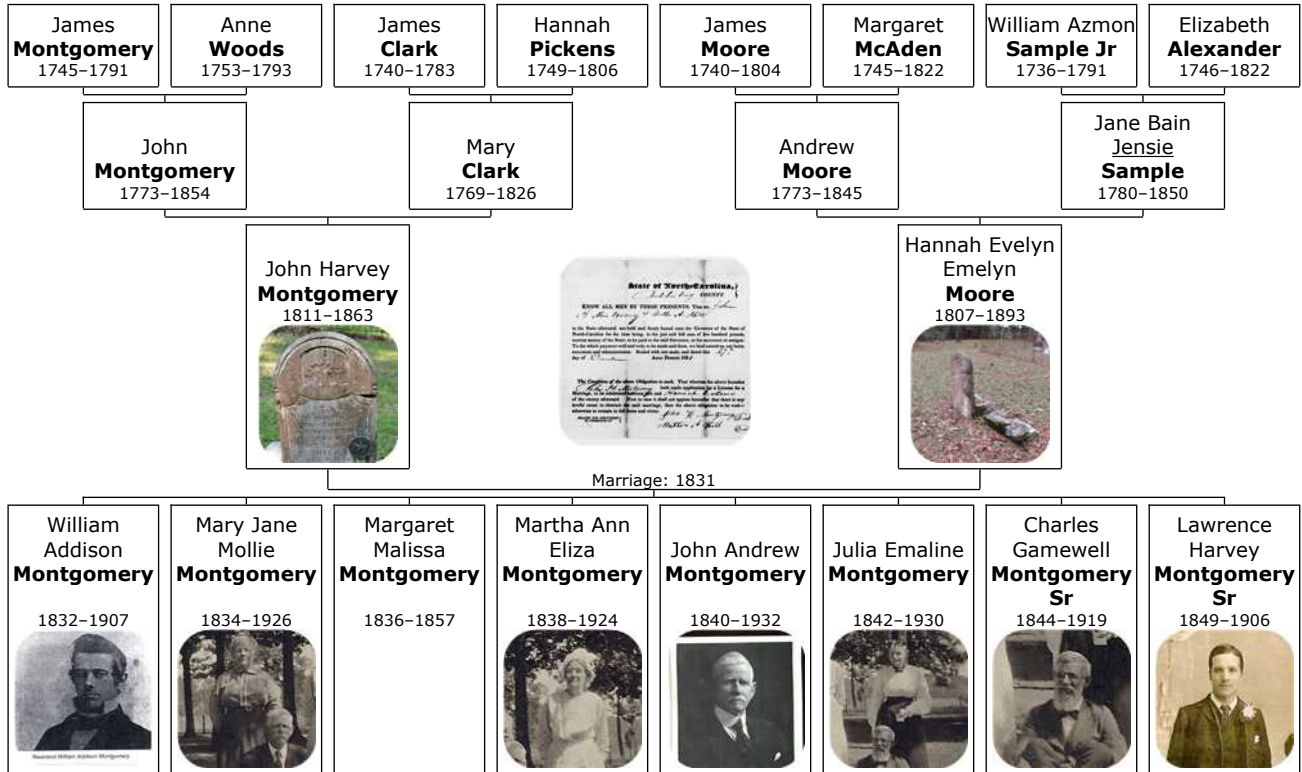

The chapter titled "Families of his Descendants" provides details (as known as of the publication date) for the offspring of John Harvey Montgomery and Hannah Evelyn Emelyn Moore. There is a chapter for each generation. Relatives are listed in the order of the nearness of their relationship.

Sources for the information provided are given in endnotes.

Mr. Joseph L. Montgomery
Harrisburg PA

Dear Mr. Montgomery,

I am rather embarrassed to note that your letter is dated Dec 30 -38 and has remained unanswered all this time - it reached me after being forwarded through several addresses.

About 1933 my wife and I decided to come south and find a nice place to live - so packed and stored everything and started out on a search for a suitable place - we remained several months each in a number of different places and finally came here to my old home town and bought a home on the road in which I was born - a short distance from my old homestead, in the spring of '36. So here we are watching the world go by.

I have done absolutely nothing on the records since I left New York. As a matter of fact, they outgrew us. You know I was trying to trace the lines of my sixteen G-G-Grandparents, all of whom lived in Mecklenburg Co. North Carolina during the Revolution and I'll tell the world that was a big job - I had two girls typing and trying to keep up with my correspondence - and then couldn't do it - The thing became so involved and complicated that I decided to fold up and quit.

But the work is fascinating to me, and I would like nothing better than to devote the rest of my life to straightening out those old ancestors. So I suppose I might just as well unpack and straighten out all the stuff and get busy - I just hate to leave a job unfinished and I quit right in the middle of it.

I made several trips to North Carolina and procured attested copies of all the wills and deeds of all the various families in which I was interested nearly Montgomery.

I did NOT find out much about the children of John and Martha Montgomery, excepting their son JAMES, my G-G-G I have his line family complete with here and there a gap. But I believe they all could be traced if enough time was given to it. I did find, definitely 14 of my 16 G-G Grandparents the other 2 had not yet come to this country.

I am sure you have a great deal more information of the children of John and Martha than I have. Here is about all that I have.

They came from Pennsylvania to Mecklenburg Co. N. C. and bought land around Sugar Creek Church in 1771 - in fact they gave land to the church for a

Figure 14: WV Montgomery letter_1

burial ground - in which they are probably buried - although there is nothing left to show it.

They had 9 children 5 boys and 4 girls. I do not have the order in which they were born - but I believe James was the oldest - but I will list him last as he was my g-g-g and I know more about him than the rest:

So here goes!

(1) John, son of John and Martha owned land adjoining Sugar Creek Church which he sold in 1807 (this could be 1801 very faint M. Ryan) and moved (I am quite sure) to Blount County Tenn.

His wife was named Elizabeth
had 3 children in 1797
He was a weaver by trade
No further record

(2) Joseph moved to Mercer or Gallatin counties, Kentucky. Had sons in 1799.
No further record

(3) David - having bought 245 acres on the waters of Sugar Creek - which he sold in 1801.
He married Frances Belk daughter of John and Mary Ann Belk and according to the 1790 census, had three boys and two girls.
I do not know but would not be surprised if he did not move to Measour and became the ancestor of Dan Montgomery the actor you know, Montgomery and Stone

(4) Agnes Nancy it is believed that she did not come to North Carolina with her parents but remained in PA where she married her cousin Robert.
She is not mentioned in her father's will, but he does mention "grand son John son to my son in law" Am I correct in believing that "Grand son John" was the son of Agnes Nancy? This I also believe to be your line and no doubt you have it complete.

(5) Elizabeth married Capt. William Houston and moved to Kentucky
No further record.

(6) Martha married Robert Robison
remained in Mecklenburg co died and are buried there
No further record

(7) Rebecca married William Orr who died in 1797

1797 April 24th sessions court "The last Will and Testament of William Orr, deceased was proved by William Black, and admitted to record: James Wilson,

Robert Robison and Rebecca Orr, the Executors names in said Will came into court and qualified" C.R. 65092 They had eight children living and two dead in 1797 - one of the girls being married to James Wilson
No further record

(8) Robert married Mary Robison who was born 1745 died 1823 - They are both buried in the second Sugar Creek church yard. He sold or gave land to the church for a church yard.
They had twelve children 2 boys and ten girls

I have quite a complete record of this line - but it is too long to fill in here. The male branch of this line is extinct.

(9) James (1st?) son of John and Martha Montgomery (my G-G-G) was born in PA about 1745 and died in Mecklenburg co N C 1793 in Lancaster County PA Sept 11, 1770 he married Ann Woods - she also died in 1793

Mecklenburg county Court Records
1793 October sessions ordered by the court that letters of administration on the estate of Ann Montgomery, deceased be issued to Joseph Bigham and John Montgomery, who were qualified as by law directed, and bound with Robert Montgomery, security in the amount of 200 pounds. (note John and Robert were brothers of James Montgomery)

1794 - January sessions
"An inventory and account of sales of the estate of James Montgomery, deceased, by Joseph Bigham and John Montgomery, administrators, amounting to 141 pounds, 18 shillings and 3 pence"

1798 April sessions
"a settlement of the estates of James Montgomery and Ann Montgomery, deceased, by Joseph Bigham and John Montgomery. Administration of the said two estates amount of sales 141 pounds, 18 shillings, and 3 pence, which had been in the hands of the administration from the 12th of November 1794"

1802 Wednesday, October 27th sessions
"Ordered by the Court that Joseph Sample be appointed guardian for Andrew Montgomery an orphan of James Montgomery deceased, bound with Robert Robison in 100 pounds"

1803 April Sessions - "ordered by the Court that Andrew Montgomery be bound to Samuel Reed to learn the art or mystery of saddle until he is of age, being now about 18 years old, and said Samuel Reed promises and agrees with the

Figure 15: WV Montgomery letter_2

Figure 16: WV Montgomery letter_3

court that he will give the said apprentice, when he is free forty three dollars in lieu of what the law allows"

NOTE!

I did not find any land recorded in the name of JAMES Montgomery in Mecklenburg County - My Uncle John (now dead) told me that he, James Montgomery lived FIRST in South Carolina before coming to Mecklenburg Co. N.C. I have not looked in So. Car. so I do not have just when he lived - and would like very much to find out.

His father and brothers owned land in North Carolina - but he evidently DID NOT - So that is a mystery I have not as yet solved. His first son John was born in Sugar Creek settlement, Mecklenburg County July 24, 1773

1778 was named as executor of his father's will

1778 a James Montgomery witnessed the will of John McClure

1788 "Fourth monday in July James Montgomery on grand jury"

1792 James Montgomery mentioned as Executor or Representation of the Estate of John McClure, deceased

Now! Where was James Montgomery between 1773 and 1778 and where was he between 1778 and 1788?

He had six children all born I believe in Mecklenburg co between 1773 and 1785 But where did he live? Have you any record of James Montgomery, that would fix him in South Carolina?

I have records of a James Montgomery as private libre Lieutenant in a regiment commanded by Colonel Joseph Wood for the time when he serves to have him away from home

You know his wife was Ann Wood Was she related to Col Woods? Do you suppose that could have been him - if so how can I prove it?

James and Ann Woods Montgomery had six children

(1) John Montgomery (my great grandfather) who lived and died in Mecklenburg county N C married 1795 Mary Clark daughter of James Clark and Hannah Pickens and had seven children two boys and five girls - the first two being twins and named for their two grandmothers.

Hannah Pickens Montgomery and Ann Woods Montgomery

I have fairly complete records of all the seven children, too long to list here. The two sons were

James Clark Montgomery whose family are still living in Charlotte N C and John Harvey Montgomery, my grandfather who came to Ala in 1847 and settled in Summerfield, Dallas Co That is just 3 miles up the road from where I now live

(2) Robert son of James and Ann Woods Montgomery This is the Robert who carried the letters from North Carolina to Penn in 1797. It is thought that he moved to Illinois. No further record

(3) Samuel Montgomery married Rachel Clark and had seven children I have fairly complete records of all of them - too numerous to list here -

(4) James Montgomery moved first to Tennessee then to Limestone County Ala. where he died. married twice and had eight children I have no record of any of his children excepting his youngest son James Newton Montgomery who was born in Limestone County Ala. came here to Selma area where he lived and died. He ran a marble yard.

(5) Andrew Montgomery son of James and Ann Woods Montgomery came to Ala in 1847 and settled in Summerfield, Dallas County - The same place my grandfather John Montgomery lived. He was a saddler.

(6) Martha Montgomery married Cyrus Henry Jan 3 1810 no further record

Now if you can get any sense out of this scribble - check and tell me when you disagree and I should like to correct any errors I may have made I have similar records on all my other great grand parents which some day I would like to publish. Thanks for your letter - keep in touch and write when you can.

Sincerely,
W. V. Montgomery

OUR SOUTHERN HOME LIVINGSTON, ALABAMA THURSDAY, DEC. 13, 1954

When called the marker at his grave, west of Judge Lammert Tarrant was probably the son of the Leonard Tarrant who came from Scotland and to Virginia, moved later to South Carolina, where he died, leaving six sons, one of whom was James H. Tarrant, Captain in the Revolutionary and Methodist Local Preacher in early days, and was father of Rev. Benjamin Tarrant, born 1792 in Amherst County, Va., and died 1874 five miles south of Birmingham.

Tarrant City, Alabama, was named for these Tarrants, and John Frederick Tarrant (died 1874 Danville, Ky.), author of "Happens in America," and Edward William Tarrant (died after 1892 in Texas), were both Methodist preachers, named in Alabama, and sons of Edward Tarrant and Ann Pamela A. (Van Zandt) Tarrant, and probably closely related to Judge Tarrant. It's interesting to note how many preachers came out of a single family such as the Tarrants.

ANDREW MOORE
 Andrew Moore was born 1770 in Lancaster County, Pa., died 1848 in Mecklenburg County, N. C., where he married 1803 Jane Bain Sample. He was a blacksmith, who had been remembered as an orator and a preacher, having in 1810 organized Nantahala Chapel, one of the first Methodist churches in Mecklenburg County, N. C., and having had a part in the building of other churches, including Bethesda Church in 1823, in whose cemetery his body lies. Nantahala Chapel is gone, Bethesda is transferred to N. W. Min. Conference. His wife was daughter of Rev. Elias Hill Cox, Ala. Conference, and sister of Rev. W. H. Cox, Ala. Conference. Andrew Moore's daughter Hannah Emelina married 1831 John Harvey Montgomery and moved to Sumnerfield, where she and her husband are buried. He was local preacher, and was father of Rev. William Addison Montgomery (died 1907 in N. Ala. Conf.), and of Lawrence Harvey Montgomery, whose son L. H. Montgomery, Jr., is probate judge of Greene County, Alabama.

Andrew Moore's son James Sample Moore (1818-1888) (married 1841 Eliza Melrose) was a local preacher in Selma, and one of his sons, Thomas Andrew Moore, was a Baptist preacher in Texas and president of a school. Andrew Moore's daughter Margaret Emelina married 1848 Daniel Ashbury Christenberry, and was mother of Daniel Pickney Christenberry (teacher of History of Southern University, Greensboro), and of William Andrew Moore Christenberry (grandfather of Rev. D. K. Christenberry, Ala. Conference).

This is a very brief record of the line descendants of Andrew Moore. Some other preacher connections are, Rev. William Finlay of Mobile (stepson of Andrew Moore); Charles Daniel Bayles of Oakland, Cal. (son of Jane Bayles and Kale Christenberry, grandson of Daniel Ashbury Christenberry); and possibly others. Rev. John Milton Danville's son and namesake, married Elizabeth Ann Christenberry, daughter of Daniel Pickney Christenberry. Andrew Moore never lived in Alabama but his descendants have contributed heavily to the making of our state and our Methodist Church.

Most Home Fires Start in Living Room and Kitchen
 Where do home fires start? In the living room and kitchen, according to a report of the National Fire Protection Association.

Bedrooms account for 22 per cent of the origin of home fires, but only 12 per cent of the damage, while 58 per cent of the damage is done in the living room and kitchen. In the living room, fires are caused by a gas oven, kerosene heater, and candles. In the kitchen, fires are caused by a gas stove, and are the most common cause of home fires.

MONTGOMERY HISTORY

TRACTS - OLD LETTERS FROM JOHN A. MONTGOMERY, OF SAN MARCOS, TEXAS - TO Wm. HOPKINS WARE, KINGS MOUNTAIN, N. C. Dec. 5, 1870. -- I will begin by telling you where my father lived while in North Carolina. Our home was about 10 miles from Charlotte, Mecklenburg County, N. C., near the Methodist Church, where he attended. I think the abolitionists were first to have churches there and that Mr. Montgomery's belonged to that church. After the Methodists came in our family because Methodists, in fact my father was a Methodist preacher. These marriage bonds you speak of are my grandfather John Montgomery and Mary Clark. Also of John H. Montgomery and Hannah E. Ware who are my parents.

As for James and his brother John Ross, I do not know anything of them except that they both married my father's twin sisters, and that I can give you names of some of James' wives - Elizabeth via Robert Clark, William and a daughter, Susan.

I was only five years old when father moved to Alabama, so I can't answer many of your questions, but I can give you the address of Mr. Ross in Charlotte, N. C. who may help you. John H. Ross, 502 College St., Charlotte, N. C. He is my second cousin and he is the grandson of one of father's twin sisters. I met him while at the reunion. I think Hannah Pickens was the wife of my great grandfather James Montgomery - (WORK: this proved to be a mistake - Hannah Pickens was wife of James Clark and Ann Woods was wife of James Montgomery.)

Figure 41: Letters_JAMont_to_MrsWare_1930_1

I refer you to my bright nephew in New York, who has gathered the Montgomery family tree, I suppose his book is on the way by now. Please look over but save time and all blunders I grew up when schools were scarce and money was more scarce. The spelling and penmanship was marvelous for a man 60 years old.

Jan. 20, 1931: I will give you all I know of our family connection. My father's name is John Harvey Montgomery and he had twin sisters, one of whom was Ann Woods Montgomery who died James Ross, in fact, they both married Rosses. My grandfather's given name was John and his father's name was also Montgomery. Uncle James and Aunt Ann were my nearest relatives when we lived in North Carolina. I was just 5 years old when father moved to Sumnerfield, Ala. in 1865 where I was born, and from where I went to the Civil War, and two years after the close of the war, 1867, I took Greasley's advice and moved west, and I have never regretted the move.

In 1870 I met and married a girl and we have twelve fine children, seven girls and five boys. All of them well educated and doing splendidly. (Refers again to his nephew W. Vaughn Montgomery of New York) He can give you every Montgomery from Maryland to North Carolina, and he will be glad to correspond with you.

I am quite old, just on the margin of the river. I have seen 60 years. I am laid and will soon know what it beyond the sea. If you are not ready to pass over I would advise you to

Figure 42: Letters_JAMont_to_MrsWare_1930_2

care for the future life while you have time -- advise kindly -- will be glad to hear from you again -- Respectfully yours--

John A. Montgomery

Feb. 24, 1931: My second cousin, Mr. J. H. Ross, may be able to tell you the direction to the Methodist Church where people attended. I think Uncle Rosses people were Presbyterians and they likely attended that church and buried there. My father's immediate family on my mother's side were Methodists. I do not know the name of the Presbyterian church but the Methodist was Bethesda if I remember right, is not very far from father's home. I will give you a little bit of father's settlement on a scrap of paper so that you might see the very place where Uncle Ross lived. We were about 5 miles from Charlotte, Mecklenburg Co. I think I could locate my father's and both my grandfather's homes if I was there, and I haven't been on the place in 34 years. I was five years old when father moved to Ala., but I have a good idea of description your home and also of my grandfathers, also of Uncle Rosses' place. I have no records of the revolutionary war so I can't help you out of that corner.

I want you to know that our correspondence is very pleasant to me. I have children scattered nearly all over the State and I would give you their names and addresses so that you might hear from them. These names of you get a trip to our country. San Marcos, Texas Co. is 30 miles south of Austin and 50 miles north

Figure 43: Letters_JAMont_to_MrsWare_1930_3

I San Antonio on highway 51. My home is on Selvin Street, 829, San Marcos, Texas, and if you feel to visit us, I shall not be off my list of correspondence.

We had a very mild winter, scarcely any frost, the grass is still green, and we have no fire in the houses today. Having plenty of rain and prospects are good for crops. I think all this drought and earthquakes and disturbances has come on us because we have forgotten God. This disturbance is not just in our country, but it is all over the world. God is going to show us that our lives are in his hands, and if we do not repent He will blot us out as He has done other Nations who have gone before us.

If you have the means and leisure, I would be glad you and your husband visit us and take a look at the great Lone Star State. Sorry I haven't been able to help you more, but I think you will get all the data you want from New York.

Below I will give you a plot of the locations of our places here there. With best regards to you and yours --

Respectfully
John A. Montgomery

 Etowah, Ala.
 President, Alabama Conference Historical Society

JOHN HARVEY MONTGOMERY
 After the death of his father-in-law, Andrew Moore, in Mackleburg County, N. C., August 3, 1845, Rev. John Harvey Montgomery is said to have led most of his flock of the Bethesda Church, to Summerfield, Dallas County, Alabama in 1846, where the Methodists had incorporated Centenary Institute in 1841, and which became one of the finest schools in Alabama, and was a ground for Methodists for many years. No doubt, Rev. Montgomery was one of the most substantial citizens of the place and gave his children the very best of advantages. He was born Dec. 15, 1811 and died August 3, 1883, according to his tombstone at Summerfield, and was a son of John Montgomery and wife (Mary Clark).

Rev. Montgomery married Dec. 27, 1831 in Mecklenburg County, N. C. Hannah Emeline Moore, daughter of Andrew Moore and wife (Jane Bate Sample), who died Oct. 25, 1893 in Perry County, Alabama, but buried at Summerfield. Rev. Montgomery had eight children (all born in North Carolina but the youngest) namely: William Addison, Mary Jane, Margaret Mollie; Ann Eliza; John Andrew; Julia Emeline; Charles Gunwell and Laurence Harvey.

William Addison Montgomery, the eldest child, was born Dec. 26, 1832 in North Carolina, and died Jan. 11, 1907 in Mobile. He joined the Alabama Conference in 1855 and served honorably in same, later joining the North Alabama Conference, and was a preacher 30 years. He married 1857 Margaret Elizabeth Boper, daughter of Rev. John Thompson Boper of the Alabama Conference, who died 1885 in Chilton County. Among Rev. W. A. Montgomery's children were: Mamie (Mrs. Robert N. Starkey, Amulaula); Norma (Mrs. William J. Adams, Talladega and Mobile); Thomas H. Montgomery of Andalusia; John Milton Montgomery of Talladega; and Anna Dancy (married 1894 Dr. William Arthur Burns of Birmingham).

The youngest child of Rev. J. H. Montgomery, was Laurence Harvey Montgomery, born 1848 at Orville, who married Annie (daughter of Joseph Reid wife (Rose Jane Smith), daughter of Joseph Reid A. von John, can be seen in Owen's Dictionary, also seen in the Hubbs, Bland and Island connections of this fine pioneer Methodist family. Rev. J. H. Roland, 1851-1907, Methodist minister of Alabama, Kentucky, and West Virginia, married 1882 at Selma, Harriett John, daughter of Chancellor Joseph Reid John.

Judge Laurence Harvey Montgomery who passed away Dec. 21, 1906 at Etowah, was a son of Laurence Harvey Montgomery and Annie John, and he followed in the fine family tradition of service to his church, his community and his country. A more complete record of his service can be found in Dr. Moore's "Alabama" which lists distinguished citizens of our state with data about their lives.

Before me this day personally appeared the under signed authority to me well known, and who after being by me duly sworn did depose and say. " I have known J.A.Montgomery for sixty years; we both came from the same State to Texas, Alabama. To the best of my knowledge and belief J.A. Montgomery served as a Confederate soldier. We both belonged to the same army. I know J.A.Montgomery was wounded at the fight at Coranath, after we had retreated from the battle of Shiloh where Albert Sidney Johnson was killed. I was in the cavalry and J.A.Montgomery was in the infantry. We lived in about thirty miles of each other in Alabama, and after the war closed we came to this section of Texas in the same year. 1867."

Robert H. Williams was born near Cross Plains, Texas, Sept. 16, 1897, one of a family of eleven children. His father was a Baptist minister; his mother's father was a Texas Ranger under Captain Brown in 1858. The family moved to Esda, then Ardren, where Williams graduated from Simmons College (now Hardin-Simmons University) in 1921, after serving overseas in the young Army Air Force. He had studied at the University of Grenoble, France, and later attended the Graduate School of English, Harvard University. At seventy-seven, he described himself as having "been a good many things: farm and ranch hand, school teacher, news reporter, ship's radio operator, intelligence officer (second world war), lecturer and political analyst, ghost writer, contributor to Encyclopedia Britannica's Ten Easy! Book, Smithsonian Historical Quarterly, Texas, The Critic and other magazines." He invented and manufactured rotary addressing machines (later bought by Fairchild), and had numerous other patents. He "retired" as Williams Angus Ranch near Bandera in 1962. Williams died in 1993 in Kerville, Texas.

- ⁶⁶⁹ Williams, Donald Mace, Email from Don Williams 2010 Jan 22 (Location: Canyon, Texas, USA; Date: 22 Jan 2010;), EmailCorrespondence with others interested, --About Emma Mary Montgomery's marriage: she divorced her firsthusband, Frank Wallace. My mother (Betty Lou Montgomery Williams) told me that he went off to the service in World War I.
. . . "Auntie Mary," we kids called her. She was a doting aunt. She and her second husband, Errett Witherington Hines (called Hiney; a tax accountant), lived on the Texas coast at Sinton and I think Aransas Pass for some years, and they loved to fish.
--I may not have the death date of Inez Estelle Montgomery, another aunt of ours, but it was in the 1990s in San Antonio. We called her "Nanty" and were very close to her. She came to McGregor, Texas, when mother was pregnant with Linda, in 1936 or 1937, and spent weeks, maybe months, taking care of us and the household. Mother was confined to bed during that time. Nanty had a degree from (or had at least attended) College of Industrial Arts in Denton, Texas, and was a wonderful cook. She never married. Mother told me that Nanty had been in love, that the romance ended, and that Nanty grieved over it the rest of her life.
