ANCESTOR'S SERVICE

Applicant affirms his adherence to the principles set forth in the Declaration of Independence and his unequalled support of the Constitution of the United States of America, to the end that the inalienable rights of the citizen may be preserved and our ideal representative government perpetuated.

"Section 1. Any man shall be eligible to membership in this Society who, being of the age of eighteen years or over, and a citizen of good repute in the community, is the legal descendant of an ancestor who was at all times unflinching in his loyalty to, and rendered active service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman, or faithful man, in the armed forces of the Continental Congress, or of any one of the several Colonies or States, or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial, or Colonial Congress or Legislature; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain."—Constitution of National Society S. A. R., Article 171, Section 1, adopted June 3, 1907, and as amended.

Membership is based upon one original claim; when the applicant derives eligibility by descent from more than one Revolutionary ancestor, and it is desired to file additional claims, separate applications, to be marked "Supplemental Applications," should be made in each case and filed with the original.
State fully such documentary or traditional authority as you found the following record upon, and also the residence of ancestors, with dates of birth and death, if known.
By order of the Board of Trustees, May 3, 1911, the recipient of a certificate granted on this application agrees to surrender his certificate upon failure to pay his membership dues, unless his membership shall cease by reason of death or actual disability, to be determined by the Society of which he is a member.

My ancestor's services in assisting in the establishment of American Independence during the War of the Revolution were as follows:
LEWIS BURWELL was Colonel in Command of a Regiment during the Revolutionary War.

SAMUEL GOODE was a Lieutenant in the Chesterfield Troop of Horse during the Revolutionary War.

Both of the above facts are stated in my mother's application for membership in the D.A.R. and the following references are given, but they are not segregated as to which fact is substantiated by which reference.

History of the Colony and Ancient Dominion of Virginia, by Chas. Campbell, Pages 378-9 and 407-8
Goode's Virginia Cousins, Pages 62-3 and 121-2.

At this writing I have neither of these references available for examination.

My mother's application bears the additional notation - "Verified by National Number 61568".

My mother's National Number in the D.A.R. is 174043. Her application was received by the National Society on Dec. 2nd 1921, was examined and approved Dec. 17th 1921, was accepted by the National Board of Management Dec. 20th 1921.

In 1781, Lewis Burwell was County Lieutenant of Mecklenburg County, Virginia - his duty was to get recruits for the Militia.
